

Congratulations to our contest winner, Paula Fonseca! We thank each and every one of you who entered our "Win a Trip to the Grammy® Awards" contest, and would like to extend a special Bonus Offer with SmashBox and participating Shoppers Drug Mart® stores.

GREEN ROOM

The inspiration behind every product and colour trend at smashbox cosmetics comes from behind-the-scenes work of professional studio artists and specialists at the SmashBox Photo Studios in Los Angeles. For spring 2008, we are delighted to announce our new collection of eco-chic cosmetics with the GREEN ROOM SPRING 2008 COLOUR COLLECTION.

With the purchase of every GREEN ROOM product, a Moringa tree will be planted in a developing country by Trees for the Future. The Moringa or "Miracle Tree" is a powerhouse of nutritional value and provides a self-renewing food source for people in need. More trees also mean less soil erosion and cleaner air and water for a greener future. All GREEN ROOM packaging is biodegradable or recyclable and all products are made with environmentally-friendly formulas so it's beauty you can feel good about!
